COMPETITION GUIDELINES & REQUIREMENTS

*Ideas
for a
Healthier
Tomorrow*

1 OVERVIEW

- 1.1 Unlike conventional paper presentations, this event simulates real-time epidemiological crises and health systems bottlenecks. Participating teams are challenged to dissect systemic vulnerabilities, apply implementation science principles, and formulate scalable, cost-effective intervention blueprints under intense time constraints.

2 THEMES

- 2.1 Real-Time Scenario-Based Problem Solving.
- 2.2 Preliminary Round: Day 1 (Friday, 20 Nov 2026).
- 2.3 Finale Round: Day 2 (Saturday, 21 Nov 2026).

3 ELIGIBILITY CRITERIA & TEAM STRUCTURE

- 3.1 Bona fide Postgraduates/ Residents (MD/DNB/MPH) in any subject.
- 3.2 Registered delegates of YLNC 2026. (Awards/prizes are eligible to only IAPSM Members)
- 3.3 Strictly 02 members per team (inter-college teams permitted).
- 3.4 Both team members must individually register for the conference.
- 3.5 E certificates will be given to all participants and exciting prizes will be given to winners.

4 SUBMISSION GUIDELINES ON DAY OF EVENT

- 4.1 **Problem Scenarios:** During the conclave, teams will receive their designated scenario via sealed envelope draw 72 hrs prior on email of team leader.

- 4.2 **Technical Specifications:** Teams are restricted to a maximum of 6 widescreen slides (16:9 aspect ratio) exported in PPTX format. The PPT must strictly follow this 6-slide standardized architecture:

- 4.2.1 Epidemiological Root-Cause Analysis (Fishbone / Epidemiological Triad / Determinants framework).
- 4.2.2 The Core Intervention Blueprint & Targeted Public Health Innovation.
- 4.2.3 Operational Implementation Workflow, Manpower Mapping & Stakeholder Governance Matrix.
- 4.2.4 Technology Stack, Resource Allocation & Pragmatic Budget Envelope.
- 4.2.5 Monitoring, Evaluation & Learning (MEL) Framework (Process, Output & Outcome KPIs).
- 4.2.6 Sustainability Plan & National Scalability Model for Viksit Bharat 2047.

- 4.3 **Pitch & Delivery Time Protocol:** Strict adherence to timekeeping: exactly 6 minutes uninterrupted pitch + 2 minutes peer team challenge/rebuttal + 2 minutes expert jury cross-examination (10 minutes total per team).

- 4.4 **Academic Integrity & Isolation Conditions:** The use of pre-made templates or generative AI text/slide autopilots is strictly prohibited. Internet access is permitted solely for factual data retrieval (e.g., NFHS, MoHFW guidelines). Live external communication will lead to immediate disqualification.

- 4.5 **Results:** 4 teams will be selected for finals and the results of preliminary round will be disclosed during the conference on the same day.
